COLLABORATIVE

The search for high quality child care starts here!

NECC's Child Care Enrollment program helps every child and their family access high-quality early child care education services, as well as the essential services they need to support a child's healthy development.

Receive 1-on-1 support to find high-quality care for your children. Our enrollment consultants will help you:

Find information on high-quality child care

Check for eligibility and apply to Child Care Subsidy

Connect with community resources

Assist in applying for other benefits (Ex: WIC, SNAP, TANF, and Medicaid)

Scan to Apply!
